

ASPL

Navigation & Communication Equipment Suppliers in India

PRODUCT PORTFOLIO

Navigation & Communication Equipment for Aviation, Marine, Land Mobile and Outdoor Use

Authorised distributor of Garmin, Digital Yacht, TwoNav, Entel, and other leading global brands in India. Supplying, installing, and servicing GPS, AIS, GMDSS systems, avionics, and two-way communication equipment nationwide for 50+ years. Trusted by commercial fleets, aviators, and defense sectors for end-to-end technical support and certified maintenance.

Aerial Services Pvt. Ltd.

50+

Years of experience

4

Core verticals

1,200+

Fleets & vessels integrated

100%

Pan-India support

Authorised distributor of Garmin, Digital Yacht, TwoNav, Entel, and other leading global brands in India. Supplying, installing, and servicing GPS, AIS, GMDSS systems, avionics, and two-way communication equipment nationwide for 50+ years. Trusted by commercial fleets, aviators, and defense sectors for end-to-end technical support and certified maintenance.

A track record built over 50+ years

- 1998** **GPS arrives in India**
ASPL introduced GPS navigation technology to the Indian market through its partnership with Garmin.
- 2002** **Indian Navy marine GPS**
Established Garmin marine GPS capability within the Indian Navy.
- 2010** **Land dispute resolution (National Award)**
Developed GPS-integrated mapping software with Tribal Research that helped resolve over 300,000 land dispute cases, receiving a National Award.
- 2019** **Indigenised trainer aircraft**
Established Garmin GPS and MFD navigation capability on indigenised trainer aircraft platforms.
- 2025** **Hooghly ferry tracking**
Implemented AIS-based tracking systems for passenger ferries on the Hooghly River for the West Bengal Inland Water Transport Department.

OUR SERVICES

Beyond supply

Supply

Authorised equipment from more than ten global brand partnerships, stocked and supplied across India, including procurement through the Government e-Marketplace.

Installation & commissioning

Equipment fitted, interfaced and commissioned on aircraft, vessels and vehicles, then handed over working.

Training

Operator and technician training on the equipment you deploy, delivered by engineers who install and service it.

Repair & maintenance

An in-house service centre in India: every brand ASPL sells, ASPL services.

BRAND PARTNERSHIPS

Brands we represent

Garmin

Engineered on the inside for life on the outside

Digital Yacht

Next generation navigation and communications systems for your boat

Haiyang

Products with world best quality

AMEC

Specialists in high quality AIS products

Alinco

Around the clock, around the town, around the world

Entel

Business critical communication

TwoNav

Navigation for adventure

Jeppesen

Aeronautical charts and navigation data

MM Technoplast

IRS-certified life-saving appliances, made in India

Aviation

Panel-mount and portable navigation, transponders, flight instruments and database updates.

- Navigation & Radio
- Portable GPS
- ADS-B & Transponders
- Handheld Radios
- Panel Mount
- Base Station
- Wearables
- Headsets

IC-A25N / IC- A25C

ICOM

Key Features VHF Air Band Transceivers Built-in GPS with Simplified Waypoint NAV (for IC-A25N) Flight Plans with Android™ /iOS™ ...

Garmin D2 Air X15

GARMIN

Aviator smartwatch with AMOLED display, GPS navigation, weather and flight logging.

Jeppesen Database Update

JEPPESEN

Jeppesen navigation database subscriptions for compatible avionics.

Lightspeed Zulu 4 ANR Headset

LIGHTSPEED AVIATION

An active noise reduction aviation headset with magnesium ear cups, dual Bluetooth, and FrameFit ear seals, weighing 14.6 ounces.
